

The background is a dark olive green with large, stylized flowers in white and light purple. A light brown wooden frame surrounds the text. Two hands are holding the frame: one on the left and one on the right. In the bottom right corner, there is a white, semi-circular shape with three purple pins sticking out of it. The text is written in a bold, dark green, sans-serif font.

**Empower minds,
build resilience,
change lives one
step at a time.**
